EDUCATION

Bachelor Information Technology

Imam Mohammad Ibn Saud Islamic University (IMSIU)

I am a final-year Information Technology student at Imam University seeking a Co-op internship opportunity specializing in cybersecurity, with a focus on Blue Team and network security. I aim to utilize my skills in packet analysis, network traffic monitoring, and firewall configuration to contribute to proactive threat detection, incident response, and strengthening the defensive infrastructure of the participating organization.

TECHNICAL SKILLS

- Analyze network traffic and perform deep data analysis (packet sniffing and analysis) using Wireshark to detect and investigate suspicious activity.
- A solid understanding of core network protocols (TCP/IP, DNS, HTTP/S) and the ability to trace data paths to identify vulnerabilities.
- Cyber Defense (Blue Team): Knowledge of Firewalls, Intrusion Detection and Prevention Systems (IDS/IPS), and Security Event Management (SIEM).

SOFT SKILLS

- Logical analysis and troubleshooting skills.
- A strong passion for continuous self-learning in technical fields.
- The ability to work effectively as part of a team.
- Attention to detail and a commitment to responsibility.
